

CALL FOR MEMBERS FOR GRADE GENDER INITIATIVE

We invite you to become a member of GRADE Gender Initiative. The theme for this year is Gender & intersectionality, Future of work and Gender & work/life balance. As a member of the initiative you will be attending meetings twice a month to exchange ideas and express views/receive feedback on the ongoing thesis work or papers for publication/conference, help in planning a seminar/workshop/lecture series/research retreat and discuss the issues & challenges regarding the thesis work. PhDs and Post Docs from all the disciplines, working for the abovementioned themes or gender issues in general, are invited to join the initiative. We seek applicants who are willing to actively participate, contribute their ideas as well as support and cooperate with other members of the initiative. Attending prescribed number of meetings and sharing the ideas for agenda prior to the meeting is mandatory.

Please refer to the work of the current gender initiative members through the following link: http://www.goethe-university-frankfurt.de/69424994/Gender_Studies_eng?

If you are interested, kindly contact Ms. Patricia Glym.
